

## **BIOFIAL NEWSLETTER 001/12 dtd 20.09.2012**

Dear costumers and co-operators,

Once more, we are pleased to be in contact with you and we would like to take this opportunity to inform you about the following:

**BIOFIAL, except the qualitative hydraulic systems (pistons & power units), that produces the last 36 years, is now launching its new product line, the “BIOFIAL Compact Cargo Lifts”! The new product line, offers a safe, easy-to-install complete solution for lifting cargos, mainly for industrial and logistic applications/projects, where there is a need of a hydraulic lifting solution that provides safety in use, durability in heavy cargo lifting and reliability in intense working conditions. Attached you can have available a complete presentation of the new “BIOFIAL Compact Cargo Lifts” product line, as well as all the necessary technical characteristics of the products!**

**It is our pleasure and honor to announce you that BIOFIAL will participate to the 2<sup>nd</sup> International Lift Exhibition – EUROLIFT 2012 in Kielce - Poland! BIOFIAL is once again exhibiting at Central and Eastern Europe’s most important showcase for the lift industry, which will be held at KIELCE TRADE FAIRS**
